100	I'm happy with the content at the moment.	11/30/2015 10:26 AM

## communityNet 2015 Evaluation

101	The emails are great. But I think that the various links in the emails should go directly to the resource, not to a page on your site and then another click required. I think the extra clicking will frustrate and put some people off. Also, I think that the categories of resources on your site could do with adding more detail and more specific (and overlapping) categories/tags - this could be helpful for finding resources relating to a user's particular interest. Also, perhaps you could put together more buzzfeed style lists - eg the 10 best new web resources we've found for non-profits etc.	11/30/2015 10:13 AM
102	As a concise easy to read resource on information, I would like to see expansion into other aged care planning regions	11/30/2015 10:10 AM
103	N/A	11/30/2015 10:10 AM
104	More content as per my comments above - I'm wondering why the number of articles has declined so much (perhaps a lack of resources/ networks to source material?) In any event I'm finding the communityNet e-news far less useful than in the past	11/30/2015 10:09 AM
105	No	11/30/2015 10:07 AM
106	More grant information would be great.	11/30/2015 10:05 AM
107	Maybe 'Alerts' for what is on that month.	11/30/2015 9:55 AM
108	Maybe expanding y including a latest research reports/ articles section.	11/30/2015 9:52 AM
109	information about ongoing events or seminar in relation to the multicultural community	11/30/2015 9:50 AM
110	I like it as is	11/30/2015 9:48 AM
111	Fine as is	11/30/2015 9:41 AM
112	Amount and mix of information is about right at present.	11/30/2015 9:36 AM
113	Keep up the good work - communityNet is a great resource for me as a manager of a service to enhance the work we do with clients and opportunities for training and resources for the workers.	11/30/2015 9:29 AM
114	hi I think you have a really good balance, if you don't have time you can just look at what is relevant & if you have time can read as much as you like.	11/30/2015 9:16 AM
115	About the right amount for me already. Thanks	11/30/2015 9:07 AM
116	grant opportunities	11/30/2015 8:54 AM
117	We should probably promote the services we (as in you) provide out here a bit more.	11/30/2015 8:49 AM
118	It would be great if there could be a 'Domestic Violence' heading under the News section.	11/30/2015 8:49 AM
119	Until this survey I was not aware of the full capabilities of communityNet. Promoting the capabilities may be useful.	11/30/2015 8:48 AM
120	It would be good to have a summary of government initiatives, calls for submissions etc	11/30/2015 8:47 AM
121	funding	11/30/2015 8:41 AM
122	More specific community events that people can go to. We list these in our diary in the Hawkesbury Gazette and Courier.	11/30/2015 8:41 AM
123	I am happy with the service as it is.	11/30/2015 8:36 AM
124	I am happy with the current distribution.	11/30/2015 8:29 AM
125	content is good	11/30/2015 8:27 AM
126	It provides me with a good balance now, there is nothing I would change	11/30/2015 8:26 AM
127	Current frequency is good.	11/30/2015 8:25 AM
128	unsure	11/30/2015 8:20 AM
129	more community sector jobs and more inclusion of other Sydney regions	11/30/2015 8:15 AM
130	I want to know about events, meetings and opportunities to promote my services	11/30/2015 8:14 AM
131	More training opportunities and perhaps a focus on different services to build my knowledge of what's available. e.g. profiling a different service each month with an overview of what they offer.	11/30/2015 8:07 AM
132	funding information	11/30/2015 8:05 AM
133	I would like to see more local sector specific stories and articles. e.g. on community drug and alcohol, mental health, sexual health projects.	11/30/2015 8:02 AM

## communityNet 2015 Evaluation

134	I think the balance is right	11/30/2015 7:52 AM
135	I think that training listed as on other websites means that that training is often overlooked. people often don't go the further 'mile' to find it. I think it would be useful if that training - say for the coming month- could be listed under your training.	11/30/2015 7:51 AM
136	More research and evaluation reports	11/30/2015 7:39 AM
137	More regional and rural information	11/30/2015 7:36 AM
138	Nothing. It covers all bases from latest information to funding opportunities.	11/30/2015 7:21 AM
139	-	11/30/2015 7:21 AM
140	I feel you have the right balance for my service needs	11/30/2015 7:16 AM
141	More of communitynet. A sight with tips, what works well etc for everyone to share.	11/30/2015 7:12 AM
