Imagine

your message appearing in front of over 25,000+ identified targets every single week.

Through consistent creation and curation, Leep communityNet has built an enviable reputation as the trusted leader in providing information and resources for communities and not-for-profit organisations in Western Sydney, New South Wales and beyond.

Providing essential news, sector-specific resources, information on events, conferences, training, funding and job vacancies, communityNet's reach and reputation are second to none, with many professionals calling it "the only site (they) visit every day".

With over 25,000+ subscriptions to the weekly e-newsletters, and over 500 unique daily visitors, Leep communityNet offers targeted communication opportunities for organisations, businesses and services wanting to target the for-purpose sector. Leep communityNet's audiences include not-for-profits, community groups, government agencies, social enterprises and private businesses.
