

Youth Health

COMMUNITY TRAINING

'Discussing Sexual Health with Young People'

Community training aims to develop participant's understanding, skills and confidence in addressing health issues with young people.

LEARNING OUTCOMES:

- Increase understanding of the sexual health needs of young people at risk
- Increase knowledge of STIs and Blood-borne viruses and their impact on young people
- Establish links between youth workers and local health services
- Increase awareness of a range of youth friendly sexual health promotion resources
- Increase confidence in incorporating resources into your work with young people

PLEASE NOTE: This is introductory training for those working with young people and therefore may not be suitable for those who work in the Sexual Health sector.

DATE: 2nd July 2019

9:00am – 4.30pm

VENUE: Community Room 1

Auburn Community Health

Norval St, Auburn
